We are now offering regular monthly Equine Assisted Learning drop-in sessions for people with early stage dementia and their carers.

Equine Assisted Learning is a unique experience that uses horses as active participants. It does not involve riding and no prior experience with horses is required. It will be completely up to participants how closely they get involved in the equine activities.

3rd Thursday Of Each Month
Between 10:00 and 12:00
At Sunset Farm, Fosdyke, PE20 2BL

21st July 18th August 15th September 20th October

£5 per person / session (including light refreshments)

Come along to meet others, learn new skills and develop a partnership with the horses in a supportive and friendly environment.

All activities are carried out in a safe and relaxed setting and we have both indoor and outdoor arenas that allow sessions to continue whatever the weather.
